Message from the Detachment Commander

I am pleased to present the Haliburton Highlands – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2024 represents the midway point of the Haliburton Highlands 2023-2025 Action Plan and this report provides updates on our progress in meeting our Action Plan commitments.

I am proud of our detachment's efforts. In 2024, online fraud incidents rose significantly. In response, we increased engagement with affected individuals through in-person presentations to raise awareness and help identify warning signs. As fraud tactics evolve, we remain committed to working with community partners to detect trends and prevent these crimes.

We maintained our focus on traffic safety by targeting the 'Big Four' offences - key contributors to collisions. This approach led to a reduction in roadway incidents across Haliburton County.

In 2024, we introduced new technologies, including Body-Worn Cameras, In-Car Cameras and Automated Licence Plate Recognition (ALPR), to support evidence collection, enhance transparency and improve safety for the public and officers.

We also partnered with community organizations to develop co-response models for mental health-related calls. Working with Haliburton Highlands Health Services, we reduced barriers to treatment and improved response times, ensuring timely care for those in crisis.

In 2025, we will be working with the Haliburton Highlands OPP Detachment Board to form the 2026-2029 Haliburton Highlands Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make. Development of the 2026-2029 Haliburton Highlands Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The Haliburton Highlands – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and the Haliburton Highlands OPP Detachment Board, this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From detachment administrative staff to frontline uniform members to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

2024 Crime Progress Updates

Commitment	Progress Update
We are committed to reduce the harmful impact on our communities from the production and trafficking of opioids and other illicit drugs in Haliburton Highlands.	During the evaluation period, enforcement activity in Haliburton County increased, with a focused effort on disrupting the illegal distribution of synthetic drugs and opioids. As a result, charges related to drug possession and trafficking have risen in response to this growing concern.
We are committed to effective case management of all investigations with a goal of minimizing violent crime and to reduce victimization in our communities.	By investing in the training of our members we have witnessed an improved response to violent crimes and support to victims. In 2024 we have reduced overall violent crime by over 20%. We are committed to victims of crime and will continue to improve our partnerships to provide improved access to local resources.
We are committed to effective case management of all property crime investigations with a goal of minimizing harm and victimization within our communities.	While property crimes remain a concern, we have taken proactive measures through increased patrols and targeted awareness campaigns, particularly in remote areas, to deter such offenses. Additionally, we have leveraged the support of our OPP Auxiliary Unit to implement the Safeguard Program, aimed at reducing harm and enhancing protection for victims of property crime.

2024 Roadways, Waterways and Trails Progress Updates

Commitment	Progress Update
To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions on our area roadways.	Throughout 2024 members of the Haliburton Highlands Detachment have continued to increase engagement and enforcement on area roadways. Member's efforts have been a contributing factor to the decline in collisions.
To maintain an effective presence on our area All Terrain Vehicle (ATV) and Motorized Snow Vehicle (MSV) trails to manage the significant increase in recreational use of our trail system through out the year.	The trail system in Haliburton County has long been a destination for off road and motorized snow vehicle enthusiasts. Haliburton Highlands Detachment has maintained a presence on the trails and work with locals clubs to share important safety messaging. We will continue to work toward improving safe driving practices to ensure a safe environment for all those that use our trails.
To maintain an effective presence on our area waterways to manage the significant increase in recreational use of our lakes and rivers throughout the summer season.	We continue to conduct regular patrols and targeted enforcement on the waterways throughout Haliburton County. Our efforts are focused on responding to reports of unsafe boating practices and ensuring that local waterways are used safely and responsibly by all.
We are committed to enforcement, engagement and education efforts regarding the increasing presence of commercial motor vehicles (CMV) on our area roadways.	In response to an increase in CMV complaint related calls for service, we equipped our members with more training in recognizing violations and tools to better address the concerns. The result has been an increase in CMV enforcement and education to local drivers.

2024 Community Well-Being Progress Updates

Commitment	Progress Update
To seek out and identify efficiencies in integrated, collaborative response solutions in providing support to community members who are experiencing a mental health crisis.	Haliburton Highlands Detachment, assisted by the Crime Prevention Community Support Bureau (CPCSB), worked collaboratively with the Haliburton Highlands Health Centre. A memorandum of understanding was established to increase support for those suffering a mental health crisis.
Re-establish the Haliburton County Tri-Services Committee.	We are happy to be a contributing partner to the Haliburton County Tri-Services Committee. As a group we will work in concert to improve service to every community.
Seek out and identify members of the public who might be interested in a career in policing, both in regular uniform as well joining our detachment Auxiliary unit.	During the evaluation period we have conducted local engagement sessions to enhance recruiting for our organization. We have successfully supported community members through the recruitment process and continue to assist those looking for a rewarding career.
Support and optimize the Haliburton Highlands Auxiliary Program for crime prevention and community engagement.	We are proud of our OPP Auxiliary Unit. They have been active throughout the community supporting the front line, utilizing crime prevention programs, conducting community engagement and assisting various community groups during memorial events.

Other Community Updates

Based on requests from the community, the Haliburton Highlands Detachment led crime prevention initiatives focused on fraud prevention and Safeguarding homes. We worked alongside community partners to increase awareness and education around crime trends present in the community and others that had the potential to impact the County.

Haliburton Highlands Detachment continued to engage with diverse groups and organizations in our area to build relationships and promote community safety and well-being.

In 2024, we celebrated with Minden Pride. We attended Remembrance Day with Royal Canadian Legion Branch 636. We honoured members of the community, who received King Charles III Coronation Medal, for their significant contributions to the community.

Building and strengthening relationships with First Nations, Inuit and Métis communities remain priorities for the OPP and the Haliburton Highlands Detachment. In 2024, we attended the National Day for Truth and Reconciliation Ceremony with Algonquin Highlands along with Indigenous Veterans Day on November 8th with Hiawatha First Nations.

Recognizing the increasing need for mental health-related supports, Haliburton Highlands Detachment partnered with Haliburton Highlands Health Services to implement a coordinated response to mental health-related calls. This has resulted in fewer repeat engagements, increased access to local resources and a strengthened relationship with our partners.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA).

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

- Mischief / Damage to Property Under \$5,000

- Theft from Vehicle Under \$5,000

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
